Introducing:

PooMoji...

The stinkiest and most memeable shitcoin in all of history. The doges and pepes have had their day, it's time for PooMoji to take his place on the throne!

**PooMoji 2023**

# About Poo

PooMoji has grown tired from watching all of Pepe, Shiba, Doge, Floki tokens. If you want a Poo Coin then you have to do it right! The Shibs, doge and pepe's have had their moment in the sun, but now it's time for the most recognizable poo emoji in the world to rise to the top and reign supreme as the king of all memes.

PooMoji has arrived to make shitcoins great again! With a stealthy launch that had no presale, no farts, no taxes & contract renounced, \$POO is the token that belongs to the people, forever. Power to the Poo and power to the people!
